### **COMMANDER NOTES**

We participated in the Installation Mass for Father Paul at OLG on Saturday, September 2<sup>nd</sup> (11 HG), Funeral Mass at St Paul's on September 15<sup>th</sup> for SK John Gilligan (11 HG) and Mass for the Consecration of St Benedict's new Sanctuary at September 22<sup>nd</sup> (12 HG).

It was nice to see Monsignor Showfety at the St Benedict's Mass and he was in good spirits at the reception afterwards.

I'm sure that most of you have heard or seen the announcement of new 4<sup>th</sup> Degree Uniform to be implemented over the next two years. Many responses have been negative particularly from current Honor Guard members from across the country. Personally I am not in favor for many reasons, the main one being that our Honor Guard Members would have to go out and purchase this new uniform at additional cost to them. As far as events in our Assembly area, we will continue to use the current Regalia until we are told not to do so. I do not think they have taken into the decision process that they will probably lose many of their existing Honor Guard members that have faithfully served in the current Regalia for many years. At the St Benedict's reception I had the opportunity to discuss this suggested change with Bishop Jugis. He was aware of the suggested change and mentions he thought at the time that it was a change for changes sake. He is not against us continuing to appear at his functions in current Regalia.

For now, let's try to wait to see how this plays out.

VIVAT JESUS!
